The Department of Environment and Climate Change (DoE&CC), Government of Tamil Nadu invites applications from eligible candidates for the prestigious Tamil Nadu Chief Minister's Green Fellowship Programme (CMGFP) 2023-25 (Vide G.O.(Ms).No.50 Dated: 18.03.2022). The Government recognizes the need to actively involve youth in various initiatives proposed to be taken for Climate Change Adaptation & Mitigation activities in Tamil Nadu. The United Nations Joint Framework initiative on children, youth and Climate Change has recognized the key role that youth play in tackling climate change.

The Government of Tamil Nadu seeks to achieve the best-in-class good governance in all spheres. As a part of this initiative, the Government of Tamil Nadu has introduced a two-year "Tamil Nadu Chief Minister's Green Fellowship Programme (CMGFP)". It aims to harness the energy and talent of young professionals to optimize the governance processes and enhance the service delivery of various programme and policies in Tamil Nadu. In this context, the Government of Tamil Nadu has decided to take concrete steps to involve youth to actively participate and support climate change initiatives in Tamil Nadu. The Green Fellow's role will be to assist the District Administration on all subjects that fall within the scope of the DoE&CC, Government of Tamil Nadu.

DoE&CC is the Nodal Agency for planning, coordination, supervision and monitoring of all aspects of the CMGFP and Institute for Energy Studies (IES), Anna University, Chennai is the knowledge partner for implementation.

A total of 40 Green Fellows (one/district i.e., 38 at District level and two at the State level) will be selected under CMGFP. The key result areas (KRA) of CMGFP are as follows:

- Creation of a district-level body of knowledge on areas related to environment. This would serve as an institutional memory.
- Tangible improvement in the quality of environment in the district (with respect to air, water, waste management, among others)
- Increase in citizen engagement and participation on all policy interventions
- Improved response time from the district administration to address environmental issues
- Improved use of technological tools for reporting and delivery of environmental services.
- Sustainable growth in the economy and employment for the district

Induction to the Fellowship programme begins with a mandatory 30-day orientation programme at the Institute for Energy Studies, Anna University, Chennai. Upon satisfactory completion of the orientation programme, Green Fellow's will be attached to the District Collectorate (one Green Fellow for each district) to support the District Administration in the effective delivery of environmental services.

Primary role of fellows will be to Support the District Administration in the implementation of the three Mission mode projects of the Government of Tamil Nadu viz.,

- Green Tamil Nadu Mission (<https://www.greentnmission.com/>)
- Tamil Nadu Climate Change Mission (<https://www.environment.tn.gov.in/tnsapcc>) and
- Tamil Nadu Wetlands Mission (<https://tnswa.org/>).

Green Fellows will assist the District Administration on all subjects that fall within the scope of the Department of Environment and Climate Change of Government of Tamil Nadu. IES and DoE&CC will track progress of Green Fellows. CMGF is a temporary position, and it does not confer upon the Fellow any right/claim for regular appointment or continuance in any post.

The Contract of the Green Fellows may be terminated in case of

- (i) Misconduct/Indiscipline
- (ii) Unsatisfactory progress
- (iii) Failure to join the programme on the official date
- (iv) Unauthorized absence of leave for more than two consecutive days
- (v) false information furnished by the Fellow or any fraudulent activity
- (vi) Candidate is later found to be ineligible.

The role of RESEARCH ASSOCIATE is to render required support to the PROGRAMME LEAD and all STAKE HOLDERS of CMGFP towards effective implementation.

A prior notice of one month by the **RESEARCH ASSOCIATE** is required for early termination of the contract, failing which the Associate will be liable to refund one month's stipend.
