

## GREEN SKILL DEVELOPMENT PROGRAMME CERTIFICATE COURSE ADVANCE COURSE IN PARA TAXONOMY

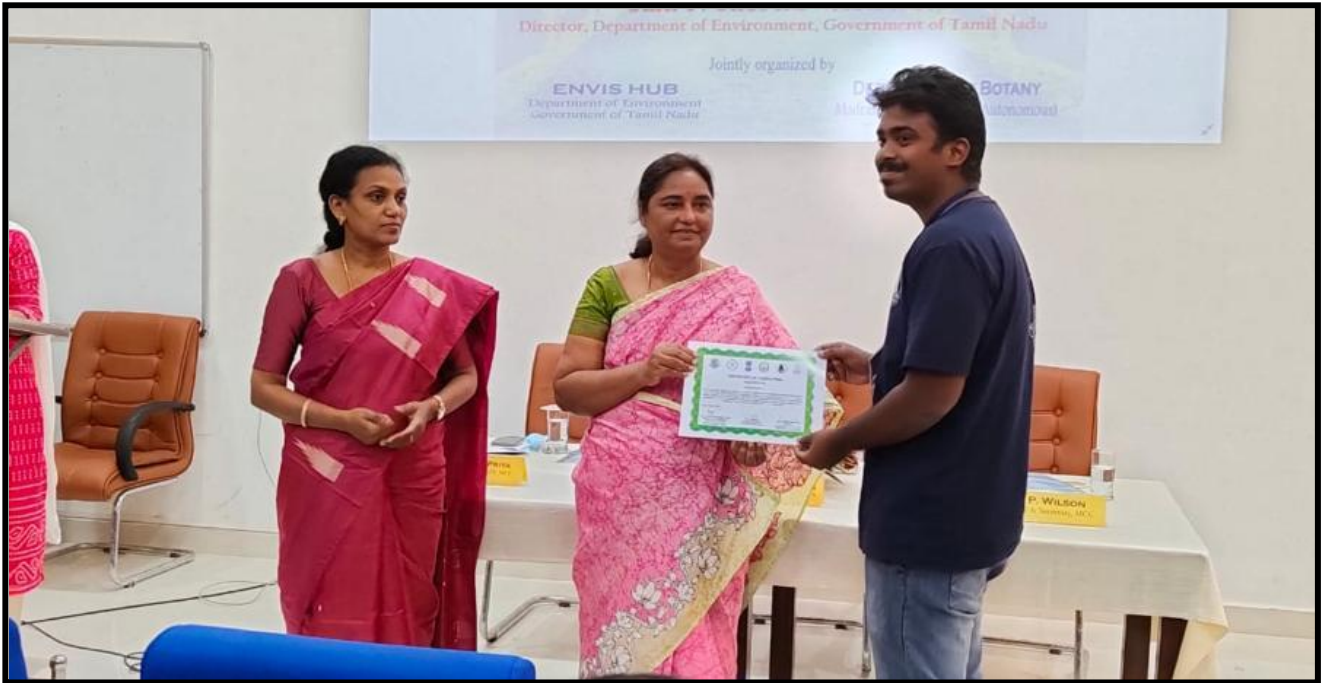

ENVIS HuB, Department of Environment is conducting certificate course on "Advance Course in Parataxonomy" under GSDP for the Financial year 2021-2022. Department of Environment and Department of Botany, MCC has jointly conducted the certificate course on "Advance Course in Parataxonomy." GSDP certificate course was started from 31<sup>st</sup> January 2022 to 26.03.2022. Valedictory programme held on 25.03.2022 at Chemistry Auditorium, Madras Christian College, Tambaram, Chennai.

Parataxonomy is a system of labor division for use in biodiversity research, in which the rough sorting tasks of specimen collection, field identification, documentation and preservation are conducted by primarily local, less specialized individuals, thereby alleviating the workload for the "master" taxonomist. The course aims to impart intensive training for identification/authentication of floral and faunal diversity in different ecosystems such as terrestrial, aquatic and marine.
